

TERRANOVA® HSE Policy

TERRANOVA® SRL, as a leader in design, manufacture and trade of industrial process control instruments, undertakes to operate in compliance with the Regulations, the Laws and the Technical Standards binding about health and safety of workers and other exposed persons, and care of the environment.

In particular, within the organization, TERRANOVA® adopts the principles:

- ✓ Legislative Decree 81/10 Protection of health and safety in the workplace
- ✓ Legislative Decree no. 196/03 Code regarding the protection of personal data (Privacy)
- ✓ Legislative Decree no. 231/01 Administrative liability legal entities
- ✓ ISO 9001:2015 Quality Management System
- ✓ IEC 61508:2010 Functional safety of electrical/electronic/programmable electronic safety-related systems
- ✓ 2014/34/EU ATEX and harmonized standards linked
- ✓ IECEx, IECEx Scheme Rules, IECEx 02
- ✓ 2014/68/EU PED and harmonized standards linked

as part of a continuous improvement process that allows:

- ✓ mitigate accidents
- ✓ reduce consumption and emissions
- ✓ increase power efficiency.

The implementation of this policy, as well as all necessary to improve the effectiveness of the HSE management system, is responsibility of the Directorate and the entire organization. In order to achieve the objectives of this HSE Policy, TERRANOVA® will promote developing the professionalism of the staff through constant training and information channels, internally and to/from customers and suppliers.
